for consideration by the Apex Town Council

Item Type: CONSENT AGENDA

Meeting Date: April 22, 2025

Item Details

Presenter(s): Michael S. Deaton, P.E., Director

Department(s): Water Resources

Requested Motion

Motion to ratify an amendment to the existing Design Services Agreement between the Town of Apex and Hazen & Sawyer, P.C. for design of the Big Branch Pump Station and Force Main No. 2.

Approval Recommended?

Yes

Item Details

The Big Branch Pump Station and Force Main project will provide sewer service to the Town's Big Branch Service Area as described in the Big Branch Pump Station Master Plan (June 2021) and Preliminary Engineering Report (August 2021). To date, the project design is complete with only minimal permitting requirements left to complete. Due to the unforeseen complexities of this project, additional design and permitting services that were not included in the original scope of Amendments #2 and #3 were necessary. These additional tasks have already been completed by the engineer and are described in the attached Amendment Tasks document. Additionally, the itemized cost breakdown for each task can be found in Exhibit C.
