Requested Motion

Public hearing and possible motion to amend the Apex Transportation Plan to add a greenway connection to the Deer Creek Greenway Corridor.

Approval Recommended?

Planning Department staff and Parks, Recreation, and Cultural Resources Department staff recommend approval of the proposed amendment. At their March 9, 2026, meeting, the Planning Board unanimously recommended approval of the proposed amendment.

Item Details

The purpose of the public hearing is to consider an amendment to the Bicycle and Pedestrian System Plan Map (Plan) associated with the Estates at Olive Chapel subdivision to add a greenway connection to the Deer Creek Greenway Corridor. The proposed greenway would run east to west from the future extension of Adirondack Way to the proposed Deer Creek Greenway Corridor. Since the proposed greenway connection would cross property outside of the Estates at Olive Chapel to connect to the Deer Creek Greenway, it is being brought forward as an amendment to the Plan in a public hearing.
