for consideration by the Apex Town Council

Item Type: PUBLIC HEARING

Meeting Date: March 24, 2026

Item Details

Presenter(s): Jenna Shouse, Senior Planner - Long Range

Department(s): Planning

Requested Motion

Public hearing and possible motion to amend the Apex Transportation Plan based on the *Feasibility Study for BO-2416 Tingen Road Bicycle and Pedestrian Crossing* (BO-2416 Feasibility Study).

Approval Recommended?

Planning Department staff; Parks, Recreation, and Cultural Resources Department staff; and Transportation and Infrastructure Development Department staff recommend approval of the proposed amendments.

At their March 9, 2026, meeting, the Planning Board unanimously recommended approval of the proposed amendments.

Item Details

The purpose of the public hearing is to consider amendments to the Bicycle and Pedestrian System Plan Map associated with the BO-2416 Feasibility Study. The purpose of project BO-2416 is to provide a grade-separated crossing of the S-Line CSX railroad tracks adjacent to Tingen Road given that Tingen Road will be closed to traffic at the railroad tracks once the Apex Parkway Southwest Connector project is complete, per an agreement with CSX. The draft BO-2416 Feasibility Study is available online at: www.apexnc.org/tingen.

The proposed amendments are along and adjacent to Tingen Road and S Salem Street.
