### Approval Recommended?

Yes

### Item Details

The Town does not have an existing waterline in the vicinity of this property (property located along the service boundary line between Apex and Cary). Homeowner is requesting annexation into Apex and has requested water service due to poor well yield. The Town of Cary has an existing waterline that runs along Farmpond Road on the frontage of this property. This ILA will allow the property owner to receive water service via Cary's water system.
