Hi Colleen,

The ADBA concurs with the proposed modified Parking-to-Dining Program layout, per your Aug. 10 email, and requests that the Town Council approves the modifications as shown in the new layout.

Best,

Shane

Shane,

Attached is a modified layout of the Parking-to-Dining Program. If you would please share this layout with members of the ADBA. If this new layout is something the ADBA concurs with and responds by the COB tomorrow, with either an email or letter stating that: The ADBA concurs with the proposed modified Parking-to-Dining Program layout, and requests the Town Council approve the modifications as shown in the new layout be made. I will then work to have the ADBA's request as part of the Town Council's agenda for next Tuesday, August 18, 2020. If you have any questions please let me know.

Thanks,

Colleen
