Yes

Item Details

This motion appoints voting members, a Chair and Vice-Chair, for the Transit Advisory Committee, as required by the Ordinance creating the committee. It also establishes term lengths for each voting member. An ad hoc Transit Advisory Committee has been in place since 2016. This motion formalizes the role existing committee members have been serving, identifies chair and vice-chair positions, and sets term limits. It is intended that future committee appointments will be made using an open call for interest.
