The purpose of the Multimodal Transportation Advisory Board (MTAB) is to support and expand opportunities for biking, walking, and riding transit as a means of transportation in the Town of Apex. More specifically, the Multimodal Transportation Advisory Board (MTAB) has the following powers and duties:

- Advise the Mayor and Town Council regarding proposed local multimodal plans, policies, priorities, capital improvements, and transit service changes.
- Review regional transit plans, policies, capital improvements, and proposed service changes relevant to the Town of Apex and provide recommendations.
- Gather community input regarding the experience of biking, walking, and using transit in Apex and work to address identified needs.
- Raise community awareness about using multimodal transportation in Apex.

The Multimodal Transportation Advisory Board (MTAB) shall consist of nine (9) voting members, including one youth representative as defined by the Resident Advisory Board Administrative Policy. All members shall be recommended by the Mayor and appointed by the Town Council. Members shall be appointed for two-year (2) terms, except the voting youth representative which shall have a term of one-year
