Requested Motion

Motion to approve a Standard Services Agreement (SSA) with Vision NC, LLC, and Town of Apex, for flow data collection to support sewer modeling and master planning, effective through April 30, 2027, and to authorize the Town Manager, or their designee, to execute on behalf of the Town.

Approval Recommended?

Yes

Item Details

The Town plans to collect flow data within its sewer collection system to support sewer modeling and master planning. To accomplish this, the Town seeks a provider to perform the installation, maintenance, and data collection for fourteen (14) flow monitors located throughout the Town's sewer collection system and two (2) rain gauges within the service area.

Vision NC, LLC, is a local, qualified service provider that has provided services to the Town for several years and maintains a Master Services Agreement (MSA) with the Town for flow monitoring, pipe cleaning, video inspection, and pumping and hauling services.

Flow monitoring will be conducted over a twelve (12) consecutive month period. As a result, the project is anticipated to begin in FY26 and conclude in FY27. The total project cost shall not exceed \$202,100, with \$41,600 budgeted in FY26 and \$160,500 allocated in FY27.
