Presenter(s): Michael S. Deaton, PE, Director

Department(s): Water Resources

Requested Motion

Motion to approve an agreement with Itron and to authorize the Town Manager to execute the agreement on behalf of the Town.

Approval Recommended?

Yes

Item Details

Town Council action is required to approve this Agreement because the Contractor (Itron) did not delete the indemnity language as requested by the Town's Legal Department.

Field Deployment Manager (FDM) software is required to obtain water and electric meter reads and receive meter data such as consumption and meter health. Itron recently upgraded their FDM software. The existing software is no longer supported so many of the FDM functions will be unavailable without the upgrade. The Agreement is required in order to obtain the upgraded software and support. The total fee for this service is \$2,024.
