Requested Motion

Motion to approve, and to authorize the Town Manager to sign and execute, an Amendment to the ADA Paratransit Services Agreement with Wake County.

Approval Recommended?

Yes

Item Details

The ADA Paratransit Service Agreement between Town of Apex and Wake County establishes the terms and responsibilities for the operation of the GoApex Route 1 complementary paratransit services. The purpose of this proposed amendment is to allow staff to make administrative changes and updates to the attachments to the agreement which will not affect the purpose or substance of the agreement. These attachments contain forms and instructions which require administrative update from time to time, and this amendment would permit these changes to be made upon written agreement at the staff level between the Town of Apex Director of Planning and Community Development and the Wake County Human Services Transportation Manager, without Town Council review and approval.
