Agreement Notes:

Effective with the date of this agreement, Gregory Poole Power Systems is authorized to perform Scheduled Programmed Maintenance as outlined in the applicable PM checklists. This agreement covers parts, labor, and fluids to provide maintenance services at various interval levels (PM level I and PM level II inspection). These services are provided for a charge as listed above per unit / equipment from Gregory Poole Power Systems Maintenance Services Pricing Schedule. All travel charges are included in the PM pricing. If repairs or adjustments are necessary, Gregory Poole Power Systems will advise and secure customer's permission before proceeding with repairs. If a customer requests an estimate before repairs are made, prices will be provided. Travel time and mileage will be charged if additional trips are necessary. Charges for labor and parts for additional services will be billed at rates in effect at the time of repair.

In accepting this agreement, the customer agrees to allow Gregory Poole Power Systems personnel reasonable access to the equipment to perform the services during normal working hours. If the equipment is not released for service as previously scheduled, the trip will be charged at prevailing rates. Site safety considerations or training need to be indicated before pricing contract, or they will be billed separately. The customer can request prices to have work performed at overtime or double time rates up front in the pricing of the contract.

This agreement becomes effective upon execution by both parties and will continue in effect for the number of coverage years listed above. PO, if required, must reflect.

Oil surcharge may be added to the total flat rate amount, if prevailing rates increase greater than 25%.

Delays in performance by Gregory Poole Power Systems or its suppliers shall be excused if by natural catastrophes, strikes, or other causes beyond the control of Gregory Poole Power Systems or its suppliers. It is the ultimate responsibility of the customer to ensure that Scheduled Programmed Maintenance is performed in a timely manner by providing sufficient lead time for scheduling services at proper PM intervals. In no event shall Gregory Poole Power Systems be liable for loss of use or other consequential damages. We agree to pay Gregory Poole Power Systems for the services rendered pursuant to this agreement by cash or upon terms and conditions of our open account. Agreement may be terminated by either party upon giving sixty (60) days prior written notification at the address shown Above.

Terms and Conditions:

1. Pricing for the above estimate is valid for sixty days
2. Price is based on customer providing ready access to equipment for continuous, uninterrupted work. Any unusual delays not caused by Gregory Poole will be billed at the applicable Regular or Overtime Rates
3. Customer provides written notification of any site-specific safety practices prior to start of work that need to be included in this estimate for additional time for site entry or application related concerns (such as security). In the absence of site- Specific safety practices, Gregory Poole will follow the safety procedures in the Gregory Poole Safety Policy and Procedure Manual
4. Proposal must be approved, signed with Purchase Order (if required by your company), and returned to the location listed at the top of this quote before maintenance can be scheduled.

This agreement becomes effective upon execution by both parties and will continue in effect for the number of coverage years listed above. At the end of the coverage years this agreement will automatically renew, providing you with uninterrupted service. Upon reenrollment, the per visit price will be readjusted (not to exceed a 5% price increase) to the current per visit list price and guaranteed for the same number of coverage years as listed above. This renewal process will continue as stated until terminated by either party upon giving Sixty (60) days prior written notification at the address shown above.

Initial here if you are agreeing to the automatic renewal of the equipment listed on this agreement at the end of the coverage years listed above.
