The Town of Apex adopted budget includes funding for an implementation study of the highest-priority local bus circulator route identified in Advance Apex: The 2045 Transportation Plan. In July, 2019, the Town Council approved a Special Funding Agreement with the Capital Area Metropolitan Planning Organization and GoTriangle to establish the terms and responsibilities for the award of Wake Transit Funds. The purpose of this Agreement of Provision of Transit Planning Services is to establish the terms and responsibilities of a partnership with the Town of Cary to provide transit planning services to carry out the bus circulator study.
