Approval Recommended?

The Town Clerk recommends the Town Council approve the resolution of intent and schedule the public hearing for Tuesday, October 13, 2026, pursuant to North Carolina General Statutes 160A-299 and the Town's adopted Policy on Closing Public Rights of Way for Streets, Roads, and Alleys.

Item Details

On June 29, 2026, Derick Blankenship, on behalf of the HS Chapel Ridge, LLC, submitted a request to close a portion of 0.16 acres of dedicated public right-of-way of Chapel Ridge Road. The portion of right-of-way being referenced is adjacent to PINs 0732-24-9927 and 0732-25-8464. This right-of-way is most recently recorded in the Wake County Book of Maps 2024, page 02095 and Wake County Book of Maps 1987, page 00556. In addition, this right-of-way needs to be abandoned to allow for the realignment of Chapel Ridge Road and development of the adjacent parcels associated with the Chapel Ridge North development.

The Town's Technical Review Committee (comprised of many departments including transportation and infrastructure, planning, and public safety) all reviewed the submitted request and recommends Council consider this request.
