### Requested Motion

Motion to approve the updates to the Town's Position Classification list.

### Approval Recommended?

Yes

### Item Details

This item is to update the FY22 Position Classification list that was approved on June 8, 2021. Some of the updates include new titles that are associated with approved career progressions, such as Fire Inspector II, Fire Inspector III, and Fleet Services Mechanic II. We have also corrected a few grades and titles of new positions that were budgeted, but initially assigned to the wrong grade on the list. None of the corrected grades have a budget impact, it's just a matter of updating the list so that the positions are in their correct, designated grade.
