Town of Apex Notes:

- Where Town of Apex Public Utilities are installed within easements crossing private property, the Town's Public Works Department shall have the right to enter upon the easement for purposes of inspecting, repairing, or replacing the sewer main and appurtenances. Where paved private streets, driveways, parking lots, etc. have been installed over public sewer mains, the Town of Apex shall not be responsible for the repair or replacement of pavement, curbing, etc. which must be removed to facilitate repairs. The Public Works Department shall excavate as necessary to make the repair, and shall backfill the disturbed area to approximately the original grade. Replacement of privately owned pavement, curbing, walkways, etc. shall be the responsibility of the property owner and/or Homeowner's Association.
- All off-site easements shall be acquired by the developer and these off site easements shall be recorded by a deed of easements prior to utility infrastructure construction approval. These easements shall be dedicated to the Town of Apex and labeled "Town of Apex Public Utility Easement".
- No person shall place any part of a structure, any permanent equipment, or impoundment upon Town of Apex Public Utility Easements. Prohibited structures include, but are not limited to: buildings, houses, air conditioning units, heat pump units, decks, garages, storage/tool sheds, swimming pools, walls, retaining wall mechanisms/appurtenances, and fences. Upon prior written approval by the Public Works Department, fences may be permitted across easements; provided that an access gate is installed for the full width of the easement.
- No person shall plant trees, shrubs, or other plants within a Town of Apex Public Utility Easement without prior written approval from the Public Works Department.
- Any and all street signs shall only be provided and installed by the Town of Apex.
