Item Details

On March 10, 2026, the Apex Town Council unanimously appointed Mr. William Gerhard to the Board of Adjustment (BOA) effective June 1, 2026 following the resignation of Mr. William Hart (Regular Member). The Town Clerk's Office has consistently moved alternate members up in the queue and not customarily placed a new member into a regular member position, unless otherwise directed by the Mayor and Town Council. The action taken on March 10 did not clearly establish Mr. Gerhard's appointment to the Alternate 3 position; therefore, this agenda item requests confirmation of that appointment and the corresponding adjustment of the remaining alternate positions.

The Town of Apex has two statutorily required resident advisory boards which are the Board of Adjustment (BOA) and the Planning Board. The Board of Adjustment (BOA) is charged with considering particular kinds of development issues that require special use permits or variances from the Town's Unified Development Ordinance (UDO). More specifically, the Board of Adjustment is responsible for the following as stated in Section 2.1.3 of the Town's Unified Development Ordinance (UDO):

- a) Review and approve, approve with conditions, or deny. To review, hear, consider and approve, approve with conditions, or deny
- Applications for Variance Permits.
 - Applications for Special Use Permits.
- b) Appeals. To review, hear, consider, and reverse or affirm, in whole or in part, or modify:
- Written orders, decisions, interpretations, requirements, or determinations of the Planning Director or other administrative officials charged with enforcement of any other ordinance that regulates land use or development
 - Mast Subdivision Plans.
 - Construction Plans
 - Master Subdivision Final Plats.
 - Soil Erosion and Sedimentation Control Plans.
- c) Studies. To make studies of the resources, possibilities, and needs of the Town upon the authorization of the Town Council and to report its findings and recommendations with reference thereto, from time to time, to the Town Council.

The Board of Adjustment (BOA) consists of five (5) regular members and three (3) alternate members.
