#### EDA Member Comments:

The Town Manager informed the EDA that there would be a ribbon cutting for Bealls, 7-Eleven and the garment factory building.

He invited EDA members to attend the Town Council Retreat which is scheduled for May 30 (Saturday).

Mary Lou Spiggle – She appreciates everyone who volunteers for public service such as the EDA—if you volunteer, show up!

Ron Coleman-He would like to see a minibus that travels from Pamplin to Appomattox and back. He said that he has done research and there are people looking for work but don't have transportation. The cost for an Uber from Appomattox to Pamplin is \$11.00 one way. Ron would like to see if we can find an Uber driver willing to take the route with a small bus and it wouldn't cost the town anything.

Michael said that there are microtransit grants available.

Kiva Preston-He would like to listen for a few meetings and become more knowledgeable before giving his input.

Zamora Olin-Would like to see an EDA email created and Facebook page. She mentioned the EDA Grants Opportunity Trackers that she created to keep up with potential opportunities. She asked staff to inform the EDA when potential new business contacts the town.

Donna Preston-The new chairman has been working hard. They have met 3 times and she is excited about where the EDA is going.
