The Town Manager informed the EDA that he will be at a conference in Virginia Beach the next three days and will be available by text or email. He will be going on vacation Friday evening and will be unavailable during that time. At some point at the beginning of July, there will be a ribbon cutting for the demolition of the garment factory building. We will also plan to do something for Beals and 7 Eleven. Mr. Campbell addressed the EDA vacancy. He asked that current EDA members speak with people who would make good EDA members. The EDA will make a recommendation but the Council will have the final decision. Mr. Campbell asked Dr. Olin if she had gotten anywhere with the joint County/Town EDA meeting.
