AGENT: Sophia Daley

ACRES: 5.00

CURRENT ZONE: Open Space Transition **PROPOSED ZONE:** Agricultural 5 Acre

GENERAL PLAN ZONE: Residential Low: 7+ Acres

COMMENTS: This property consists of 5.00 acres that is undeveloped and is currently zoned OST. It is bordered by OST properties to the North, East, and South as well as OSC (Open Space Conservation) to the West. There are residential properties to the East and South of this property. It appears that the property will have water via a private well as it is too far from any municipal water services. Applicant has also submitted an agreement for approval of onsite wastewater system from Ash Creek Special Services District.

The following is our report based upon the property location and other facts:
