Zoning Districts Information:

ZONE PURPOSES:

The following zones are created to be applied as necessary to regulate the development of the land in the county as set forth below:

A. Agricultural Zone:

The purpose of this zone is to preserve appropriate areas for permanent agricultural use. Uses normally and necessarily related to agriculture are permitted and uses inimical to the continuance of agricultural activity are not allowed.

B. Residential Zones:

A. Single Family Residential Zone:

The purpose of this zone is to provide appropriate locations where low density residential neighborhoods may be established, maintained and protected. The regulations also permit the establishment, with proper controls, of public and semipublic uses such as churches, schools, libraries, parks and playgrounds which serve the requirements of families. The regulations are intended to prohibit uses that would be harmful to a single-family residential neighborhood.
