

**APPLE VALLEY
RESOLUTION R-2025-09**

NOW THEREFORE, be it ordained by the Council of the Apple Valley, in the State of Utah, as follows:

SECTION 1: **AMENDMENT** “Cash Receipting And Deposit Policy” of the Apple Valley Policies & Procedures is hereby *amended* as follows:

A M E N D M E N T

Cash Receipting And Deposit Policy

Purpose

Establish a uniform control design for all departments of Town of Apple Valley (Town) that receive cash. Over time it is expected this policy will be adjusted for changes in systems and organizational structure.

Designated Receiving Official

The Town ~~Recorder~~ Treasurer is designated as the Receiving Official.

Receiving Process

The Receiving ~~Official~~ Designee ~~or his/her designee~~ will make a record of goods and services received by the Town through the Towns accounting software.

Cash Receipts

1. All funds received are entered into the accounting system at the time of the transaction with enough detail to determine where/who the funds came from, the purpose for receiving the funds, the method of payment; cash, check, credit card etc., numbered in a sequential fashion, and designate the appropriate account. At the end of each business day the Receiving ~~Clerk~~ Designee will print a report showing all cash and check payments made.
2. At the end of each day the person responsible for receiving cash will place cash, and checks received in a deposit bag and deliver ~~it~~ to the ~~Accounting~~ Treasurers-office and ~~or~~ place it in a secure (locked) place for deposit on the next deposit day.
3. Void/adjusted transactions. If a transaction needs to be voided or adjusted it should be done by someone who does not receive cash. If an office doesn't have enough employees to have adjustments made by a supervisor that doesn't receive cash, two employees will sign off on the adjustment or voided transaction explaining the circumstances causing the adjustment. The system should be designed to generate a

report of all adjusted/voided transactions to facilitate monitoring of this process.

4. Every effort should be made to ensure large quantities of cash are not on hand overnight. When sums over \$5,000 are collected in a single transaction the Receiving designee will alert the Treasurer. The deposit should be made in the same day if time allows.
5. The Treasurer will receive funds, count the funds, compare the amount received to the supporting documentation provided. The Treasurer then enters the deposit into the accounting system and takes funds to the bank.
6. The Town will install and maintain surveillance systems in offices receiving funds. Surveillance evidence will be maintained for 60 days.
7. ~~Mail will be opened in the presenee of two or more employees and any correspondence containing payments will be removed and processed in the presenee of said employees.~~ Mail will be opened in the presence of two or more employees or under active surveillance camera monitoring. Any correspondence containing payments will be identified, cash will be immediately processed and checks will be stamped with the towns deposit stamp in the presence of the same two or more employees. If the Receiving Designee is alone, they shall print a receipt register containing all void transactions at the beginning of the day and again at the end of the day. They shall also print a transaction register showing all charges and credit billings for the day. These registers, along with all daily receivables documentation, shall be submitted to the Treasurer for review. ↗

8.

SECTION 2: REPEALER CLAUSE All ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

SECTION 3: SEVERABILITY CLAUSE Should any part or provision of this Resolution be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Resolution as a whole or any part thereof other than the part so declared to be unconstitutional or invalid.
