

### Coronavirus Local Fiscal Recovery Fund Non-Entitlement Unit of Local Government Request for Payment

The American Rescue Plan Act of 2021 (Act) mandates that the state of Utah (State) distribute Coronavirus Local Fiscal Recovery Fund (CLFRF) monies, received from the U.S. Department of the Treasury (Treasury), to non-entitlement units of local government<sup>1</sup> (NEU) in Utah.<sup>2</sup> The NEU listed below (Recipient) is not a subrecipient of the State. The Recipient is responsible for understanding and adhering to all <u>Treasury guidance and regulations</u> as well as any other applicable federal, state (such as provisions under U.C.A. 67-3 and 36-12-15) and local regulations governing the use of these funds.

#### DISTRIBUTION PROCESS

For this Request for Payment to be processed, the Recipient is required to complete and sign the following documents<sup>3</sup>:

- Recipient Distribution Information and Budget Certification (page iii)<sup>4</sup>
- Coronavirus Local Fiscal Recovery Fund Award Terms and Conditions (pages 1-5)
- Assurances of Compliance with Civil Rights Requirements (pages 6-8)

Once this Request for Payment has been completed, signed, and submitted to the Governor's Office of Planning and Budget (GOPB), GOPB will review and verify the information submitted. After review and verification is complete, the Recipient's first tranche of Coronavirus Local Fiscal Recovery Fund monies will be promptly transferred. The timing, amount, and conditions for the second tranche are subject to change by Congress or the Treasury as allowed by the Act. With questions, please contact Taylor Kauffman in the Governor's Office of Planning and Budget (tkauffman@utah.gov).

#### TRANSFER TO THE STATE

Section 603(c)(4) of the Act provides that, "a metropolitan city, non-entitlement unit of local government, or county receiving a payment from funds made available under this section may transfer such funds to the State in which such entity is located." If an NEU would like to decline its funding allocation and transfer funds to the State, the Treasury will consider this action as a cancellation of the award on the part of the eligible NEU and a modification of the award to the State. The State will not be required to transfer the amount of the payment to the NEU. As part of this process, the NEU must provide a signed notice to the State (Treasury will provide a standard notice form for this use which will be posted at gopb.utah.gov when available). If the NEU does not provide such

<sup>1.</sup> Nonentitlement units of local governments are local governments typically serving a population under 50,000.

<sup>2.</sup> Counties and metropolitan cities identified by the Treasury will receive a direct payment from the Treasury and are not eligible to receive a separate payment through this Request for Payment.

<sup>3.</sup> Please note that this Request for Payment can only be signed by an authorized representative with legal authority to bind the government entity (e.g., the Chief Executive Officer of the government entity).

<sup>4.</sup> Because NEUs are prime recipients of CLFRF monies, the State has not added additional terms or conditions to this Request for Payment, but must collect basic information to disburse funding.

notice, it will remain legally obligated under the award with respect to accounting for the use of the funds and the reporting on such use.

### REALLOCATION

An NEU should notify the State of its acceptance of the funds (by filling out and signing this Request for Payment) or transfer the funds to the State (by filling out the Treasury standard notice form mentioned above) by July 11, 2021, to allow the State to process the payment in a timely manner. After July 21, 2021, GOPB will make at least two additional attempts to contact the NEU. If no response is given by August 20, 2021, GOPB will consider the NEU unresponsive. Funds allocated to an unresponsive NEU will be reallocated to the other NEUs.

### ASSURANCES OF COMPLIANCE WITH CIVIL RIGHTS REQUIREMENTS

# ASSURANCES OF COMPLIANCE WITH TITLE VI OF THE CIVIL RIGHTS ACT OF 1964

As a condition of receipt of federal financial assistance from the Department of the Treasury, the recipient named below (hereinafter referred to as the "Recipient") provides the assurances stated herein. The federal financial assistance may include federal grants, loans and contracts to provide assistance to the Recipient's beneficiaries, the use or rent of Federal land or property at below market value, Federal training, a loan of Federal personnel, subsidies, and other arrangements with the intention of providing assistance. Federal financial assistance does not encompass contracts of guarantee or insurance, regulated programs, licenses, procurement contracts by the Federal government at market value, or programs that provide direct benefits.

The assurances apply to all federal financial assistance from or funds made available through the Department of the Treasury, including any assistance that the Recipient may request in the future.

The Civil Rights Restoration Act of 1987 provides that the provisions of the assurances apply to all of the operations of the Recipient's program(s) and activity(ies), so long as any portion of the Recipient's program(s) or activity(ies) is federally assisted in the manner prescribed above.

- 1. Recipient ensures its current and future compliance with Title VI of the Civil Rights Act of 1964, as amended, which prohibits exclusion from participation, denial of the benefits of, or subjection to discrimination under programs and activities receiving federal financial assistance, of any person in the United States on the ground of race, color, or national origin (42 U.S.C. § 2000d *et seq.*), as implemented by the Department of the Treasury Title VI regulations at 31 CFR Part 22 and other pertinent executive orders such as Executive Order 13166, directives, circulars, policies, memoranda, and/or guidance documents.
- 2. Recipient acknowledges that Executive Order 13166, "Improving Access to Services for Persons with Limited English Proficiency," seeks to improve access to federally assisted programs and activities for individuals who, because of national origin, have Limited English proficiency (LEP). Recipient understands that denying a person access to its programs, services, and activities because of LEP is a form of national origin discrimination prohibited under Title VI of the Civil Rights Act of 1964 and the Department of the Treasury's implementing regulations. Accordingly, Recipient shall initiate reasonable steps, or comply with the Department of the Treasury's directives, to ensure that LEP persons have meaningful access to its programs, services, and activities. Recipient understands and agrees that meaningful access may entail providing language assistance services, including oral interpretation and written translation where necessary, to ensure effective communication in the Recipient's programs, services, and activities.
- 3. Recipient agrees to consider the need for language services for LEP persons when Recipient develops applicable budgets and conducts programs, services, and activities. As a resource, the Department of the Treasury has published its LEP guidance at 70 FR 6067. For more information on taking reasonable steps to provide meaningful access for LEP persons, please visit <a href="http://www.lep.gov">http://www.lep.gov</a>.

- 4. Recipient acknowledges and agrees that compliance with the assurances constitutes a condition of continued receipt of federal financial assistance and is binding upon Recipient and Recipient's successors, transferees, and assignees for the period in which such assistance is provided.
- 5. Recipient acknowledges and agrees that it must require any sub-grantees, contractors, subcontractors, successors, transferees, and assignees to comply with assurances 1-4 above, and agrees to incorporate the following language in every contract or agreement subject to Title VI and its regulations between the Recipient and the Recipient's sub-grantees, contractors, subcontractors, successors, transferees, and assignees:

The sub-grantee, contractor, subcontractor, successor, transferee, and assignee shall comply with Title VI of the Civil Rights Act of 1964, which prohibits recipients of federal financial assistance from excluding from a program or activity, denying benefits of, or otherwise discriminating against a person on the basis of race, color, or national origin (42 U.S.C. § 2000d et seq.), as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, which are herein incorporated by reference and made a part of this contract (or agreement). Title VI also includes protection to persons with "Limited English Proficiency" in any program or activity receiving federal financial assistance, 42 U.S.C. § 2000d et seq., as implemented by the Department of the Treasury's Title VI regulations, 31 CFR Part 22, and herein incorporated by reference and made a part of this contract or agreement.

- 6. Recipient understands and agrees that if any real property or structure is provided or improved with the aid of federal financial assistance by the Department of the Treasury, this assurance obligates the Recipient, or in the case of a subsequent transfer, the transferee, for the period during which the real property or structure is used for a purpose for which the federal financial assistance is extended or for another purpose involving the provision of similar services or benefits. If any personal property is provided, this assurance obligates the Recipient for the period during which it retains ownership or possession of the property.
- 7. Recipient shall cooperate in any enforcement or compliance review activities by the Department of the Treasury of the aforementioned obligations. Enforcement may include investigation, arbitration, mediation, litigation, and monitoring of any settlement agreements that may result from these actions. The Recipient shall comply with information requests, on-site compliance reviews and reporting requirements.
- 8. Recipient shall maintain a complaint log and inform the Department of the Treasury of any complaints of discrimination on the grounds of race, color, or national origin, and limited English proficiency covered by Title VI of the Civil Rights Act of 1964 and implementing regulations and provide, upon request, a list of all such reviews or proceedings based on the complaint, pending or completed, including outcome. Recipient also must inform the Department of the Treasury if Recipient has received no complaints under Title VI.
- 9. Recipient must provide documentation of an administrative agency's or court's findings of non-compliance of Title VI and efforts to address the non-compliance, including any voluntary compliance or other

agreements between the Recipient and the administrative agency that made the finding. If the Recipient settles a case or matter alleging such discrimination, the Recipient must provide documentation of the settlement. If Recipient has not been the subject of any court or administrative agency finding of discrimination, please so state.

10. If the Recipient makes sub-awards to other agencies or other entities, the Recipient is responsible for ensuring that sub-recipients also comply with Title VI and other applicable authorities covered in this document State agencies that make sub-awards must have in place standard grant assurances and review procedures to demonstrate that that they are effectively monitoring the civil rights compliance of sub-recipients.

The United States of America has the right to seek judicial enforcement of the terms of this assurances document and nothing in this document alters or limits the federal enforcement measures that the United States may take in order to address violations of this document or applicable federal law.

Under penalty of perjury, the undersigned official(s) certifies that official(s) has read and understood the Recipient's obligations as herein described, that any information submitted in conjunction with this assurances document is accurate and complete, and that the Recipient is in compliance with the aforementioned nondiscrimination requirements.
