This notice is to inform you of the intended transfer of Big Plains Water Special Service District (Big Plains) Fund money to the Town of Apple Valley General Fund. The Town of Apple Valley provides administrative, operational and overhead services for Big Plains through the use of sharing personnel and assets to accomplish the daily business activities that would otherwise need to be duplicated. It is our belief that the value of services received is greater than the amount to be transferred. These services, provided by way of an interlocal agreement, include personnel to perform accounting and office functions for billing, collection, customer service, and administration; operational functions; building space, office equipment, and other machinery and equipment; and other indirect costs associated with daily business functions like fleet maintenance, technology, and administration. A calculation is made for estimated costs and a proportionate share is assigned for transfer.
