ORDINANCE O-2023-23**

NOW THEREFORE, be it ordained by the Council of the Apple Valley, in the State of Utah, as follows:

SECTION 1: **AMENDMENT** “10.07.130 Building Permit” of the Apple Valley Land Use is hereby *amended* as follows:

A M E N D M E N T

10.07.130 Building Permit

A. Purpose. This section sets forth procedures for determining zoning compliance of a building permit application. B. Authority. The Zoning Administrator is authorized to review building permits for zoning compliance as provided in this section. C. Initiation. Any person may apply for a building permit as provided in the building codes adopted by the Town. D. Procedure. A building permit application shall be reviewed for zoning compliance as provided in this subsection.

1. A complete building permit application shall be submitted to the Building Official in a form established by the Building Official along with any fee established by the Town's schedule of fees. The application shall include at least the following information:

a. The name, address and telephone number of the applicant and the applicant's agent, if any; and b. A plot plan showing the following:

- (1) Applicant's name;
- (2) Site address;
- (3) Property boundaries and dimensions;
- (4) Layout of existing and proposed buildings, parking, landscaping, and utilities;
- and (5) Adjoining property lines and uses within 100 feet of the subject property.

2. After the application is determined to be complete, the Building Official shall transmit the application to the Zoning Administrator. The Zoning Administrator shall approve, approve with conditions, or deny the zoning compliance request pursuant to the standards set forth in subsection E of this section. Any conditions of approval shall be limited to conditions needed to conform the permit to approval standards. 3. After making a decision, the Zoning Administrator shall give the Building Official written notice of the zoning compliance decision. 4. A record of all zoning compliance reviews shall be maintained in the office of the Building Official.

E. Approval standards. The following standards shall apply to determine zoning compliance of a building permit application:

1. No building permit shall be approved for zoning compliance unless the proposed building, structure or use when built and the land on which it is located will conform to applicable provisions of this title and any applicable conditions of approval required under a permit applicable to the subject property. 2. No building permit shall be issued unless the property or lot for which the building permit is to be issued fronts a dedicated street which meets the width requirement specified by this Code and has been improved according to Town standards, except where a variance has been approved by the Appeals Board, or as follows:

a. In the event that property for which a building permit is sought fronts a dedicated street which requires additional footage on each side of the street in order to meet the width requirements of the road master plan or official map, a building permit may be issued if one-half of the additional footage is dedicated by the owner of said property for use by the public as a Town street. b. In lieu of requiring completion of all improvements to a dedicated Town street prior to the issuance of a building permit, a building permit may be issued if:

(1) The road is traversable by normal vehicular traffic, including law enforcement, fire and other emergency vehicles; and (2) A written agreement is executed by the owner of the property for which the building permit is to be issued, stating the owner will deposit with the Town an amount equal to the cost of improving the street frontage of the owner's lot before receiving a certificate of occupancy for which the permit is issued. At the option of the Town, the owner could, in lieu of paying for or installing the missing improvements, sign an Improvement Delay Agreement to promise to pay for or install the missing improvements at a future date, if requested to do so by the Town. Said agreement shall be recorded at the County Recorder's office.

F. A written agreement is executed by the owner of the property for which the building permit is to be issued, stating an understanding of awareness, risks, and responsibility of geological hazards, and a waiver and release of claims against the Town.

G.F. Appeal of decision. Any person adversely affected by a decision of the Zoning Administrator regarding zoning compliance of a building permit may appeal to the Appeals Board in accordance with the provisions of section 10.07.090 of this chapter. H.G. Effect of approval. Approval of zoning compliance shall authorize an applicant to proceed with the building permit review process. The requirements of this section shall be in addition to any other requirements for the issuance of a building permit, as contained in this Code. I.H. Amendments. The procedure for amending any zoning compliance decision shall be the same as the original procedure set forth in this section. J.I. Expiration. A building permit shall expire and have no further force or effect if the building, activity, construction or occupancy authorized by the permit is not commenced within the time provided by the building code adopted by the Town.

SECTION 2: REPEALER CLAUSE All ordinances or resolutions or parts thereof, which are in conflict herewith, are hereby repealed.

SECTION 3: SEVERABILITY CLAUSE Should any part or provision of this Ordinance be declared by the courts to be unconstitutional or invalid, such decision shall not affect the validity of the Ordinances a whole or any part thereof other than the part so declared to be unconstitutional or invalid.

SECTION 4: EFFECTIVE DATE This Ordinance shall be in full force and effect from May 17, 2023.
