

RESOLUTION NO. R-2025-15

A RESOLUTION OF THE TOWN COUNCIL OF THE TOWN OF APPLE VALLEY, UTAH, AMENDING THE FISCAL YEAR 2026 BUDGET TO ESTABLISH A WATER DEPARTMENT

RECITALS

WHEREAS, the Town Council of the Town of Apple Valley ("Town") adopted a resolution dissolving the Big Plains Water Special Service District ("District") and assumed all assets, obligations, and responsibilities of the District;

WHEREAS, the Town has received budget recommendations and legal guidance recommending the establishment of a Water Department to ensure proper administration of the water system and fiscal independence from the Town's General Fund;

WHEREAS, notwithstanding the lack of a statutory requirement to do so, the Town Council finds it in the best interest of its residents to create a Water Department to efficiently oversee operations, maintenance, regulatory compliance, customer service, and billing related to the public culinary water system;

WHEREAS, the Town has determined that the Water Department shall operate as a selfsustaining enterprise fund, with revenues from water service fees and impact fees deposited into dedicated accounts and used solely for water system needs;

WHEREAS, the Town Council desires to amend the FY2026 Budget to formally recognize the structure, funding, and operation of the Water Department.

RESOLUTION

NOW THEREFORE, be it hereby resolved by the Town Council of the Town of Apple Valley, as follows:

1. Establishment of Water Department

The Town hereby establishes a Water Department responsible for managing the full scope of the Town's culinary water system functions, including but not limited to operations, maintenance, regulatory compliance, public inquiries, and service applications.

2. Budget Amendment

The FY2026 Budget is amended to reflect the formation and operation of the Water Department. The financial framework shall align with the line items contained in the "51 Water Operations Fund" and water-related capital projects in the FY2026 Budget Amendment TOAV with BPW document.

3. Enterprise Fund and Dedicated Accounts

The Water Department shall function as an enterprise fund. The Town Treasurer is authorized to establish and maintain separate PTIF accounts or equivalent to receive water service and impact fee revenues, and to ensure all disbursements are solely for the water system.

4. Personnel Allocation

Town personnel may be used to support the Water Department as well as other municipal functions. The Finance Director and Treasurer shall allocate employee costs proportionally based on duties performed.

5. Implementation Authority

The Mayor and Town Treasurer are authorized to take all administrative actions necessary to implement this Resolution.

6. Exhibit A - FY2026 Budget Amendment

The Town's FY2026 Budget Amendment, including all line items and financial summaries related to the creation and operation of the Water Department, is hereby adopted and incorporated by reference as Exhibit A to this Resolution.

7. Severability

If any provision of this Resolution is found to be invalid or unenforceable, the remainder shall continue in full force and effect.

8. Effective Date

This Resolution shall be effective immediately upon its passage and approval by the Town Council.
