For exact compensation coverage, check the workers compensation contract on file with the Mayor, or Mayor or designee.
2. Employees may use accrued vacation or sick leave to make up the difference between workers compensation benefits and their base pay.
3. Medical Attention. An employee who sustains a bona fide, on-the-job injury may seek medical attention from the medical facility of their choice. They must tell the doctor, HOW, WHEN and WHERE the accident occurred. The doctor will complete a medical report and copies of this report should be sent within seven (7) days to the insurance carrier, the Industrial Commission, and to the injured worker (Please Note: Do not submit doctor or hospital bills for on-the-job injuries or illness to your regular medical plan).
4. Initial Reporting of Illness or Injury. Reporting the accident or illness is critical to qualification for payment under workers’ compensation. If an employee is injured while on the job, no matter how minor, the circumstances should be reported to the Mayor, or and/or Human Resources personnel immediately. After Form 122 is filled out, a copy must be sent to the insurance carrier and a copy must be sent to the Industrial Commission within seven (7) days of the date of injury.
5. Reporting while off the Job. While on leave because of a bone fide, on-the-job injury or illness, an employee must contact the Mayor, or designee and their supervisor to report on their condition. Failure to provide the required medical status reports may result in revocation of the leave and/or immediate termination.
6. Return to Service. All employees must return to work after the approval of the attending physician. A statement from the attending physician stating the employee is able to resume normal duties will be required before returning to
