

TOWN OF APPLE VALLEY, UTAH

RESOLUTION NO. 2016-08

**A RESOLUTION AMENDING THE FEE SCHEDULE TO ADD A FEE FOR
STORMWATER DRAINAGE AND TO CREATE A STORMWATER DRAINAGE
ENTERPRISE FUND FOR THE MANAGEMENT AND EXPENDITURE OF
STORMWATER DRAINAGE FEES**

WHEREAS, the Town of Apple Valley, Utah has experienced some intense rainstorms in recent years;
and

WHEREAS, continued growth has strained the Town's current storm water drainage infrastructure; and

WHEREAS, the need to improve the storm water drainage infrastructure has been discussed by the Town Council; and

WHEREAS, in determining the amount of the fee the Town Council reviewed the needs of the Town with regard to storm water improvements and whether the fee should reflect the differences between the impacts of commercial as opposed to residential uses on the Town storm water facilities; and

WHEREAS, the Town Council determined that commercial uses impose a greater impact on the Town's storm water system, and therefore should bear a larger cost, and that undeveloped residential lots should not be assessed a fee; and

WHEREAS, the Town Council reviewed the matter and determined that a storm water drainage fee should be imposed.

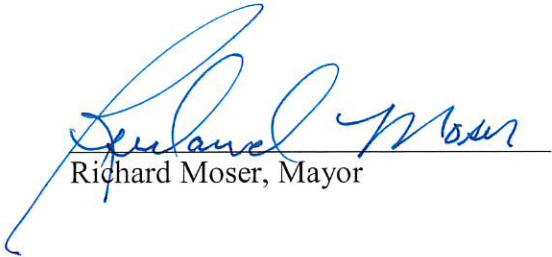

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Town Council of Apple Valley, Utah that a fee of \$10.00 per month for each residential lot which has been improved with a building, and a fee of \$25.00 per month for each commercial lot which has been improved with a building, are added to the Apple Valley Town Fee Schedule.

BE IT FURTHER RESOLVED that the Mayor and Town Council of Apple Valley, Utah hereby establish a Stormwater Drainage Enterprise Fund into which all Stormwater Drainage Fees shall be deposited. Appropriate budgets shall be enacted as required by law.

This Resolution was made, voted upon, and passed by the Apple Valley, Utah Town Council at a regular town council meeting held on the 15th day of September, 2016. This resolution shall become effective upon signatures of the Mayor and Town Recorder.
