Re: Crimson Peaks Subdivision

Located: Parcel #AV-1317-D

Dear Karl:

After reviewing the proposed plans for the above mentioned project, I have determined that there is power within a near proximity. Rocky Mountain Power intends to serve the project with electrical service based on load requirements and specifications submitted. All electrical installations will be provided in accordance with the "Electric Service Regulations, as filed with the Utah Public Service Commission after receiving an approved plat showing easements approved by Rocky Mountain Power. Additionally, Rocky Mountain Power is not able to serve this project until its new substation currently under construction is complete.

For additional consultation in this matter, please do not hesitate to call.

Sincerely,

Preliminary Water Service Letter
For
Travis Holm

Crimson Peak Phase 1

This letter is provided as a preliminary look at the needs of your proposed development and provides options as well as potential requirements for your project.

1. This letter is for Lots 1 thru 10, 50 thru 63, and 80 thru 86 (31 lots).
2. Connect to district water main next to Gooseberry Way and provide a looped system in accordance with District and Engineering requirements.
3. Option to build a tank and infrastructure designed to meet future needs of your development.
4. Municipal water rights deeded to the District by phase of your development.
5. Easements as required for water infrastructure and District access.
6. Upon completion of the water system by the Developer and approval of the District's designated engineer and Water Superintendent, said water system will be deeded to the District.

The above is not an all-encompassing list, but a preliminary one and may expand as your development progresses.

The District provides this letter for the purpose of a preliminary plat application, and it is NOT a Will Serve Letter.

A Final Water Service Letter (Will Serve Letter) will be required for the Final Plat process and as a condition for building permit issuance. The expiration of this letter will be concurrent with that of the Preliminary Plat.

Subject: Crimson Peaks Subdivision

Kyle,

Ash Creek SSD is providing a conditional will serve for the Crimson Peaks Subdivision.

The developers understand and agree that they will need to complete a preliminary feasibility study and meet the discharge limits set by the State Department of Water Quality. Approvals for this subdivision will be given on a phase-by-phase basis based on meeting the discharge limits set by the State.

The developers understand and agree that they will need to get plan approval for the sewer system and treatment system.

After approval, developers agree to pay all costs associated with construction and impact fees. Please let us know if you have any questions.

Sincerely,

A handwritten signature in blue ink that reads "Amber Gillette".
