Motion: *Consent Agenda*: A Resolution authorizing the allocation of $21,000.00 in Unpledged Healthcare Sales Tax Funds to SCK Health for uncompensated care provided to the community, consistent with Ordinance No. 2019-02-4481 and the City's intent to annually appropriate available revenues for health care purposes. ***(Voice Vote)***

Background: A request letter dated July 28, 2026, was submitted by SCK Health to the City of Arkansas City for funds in the amount of $21,000.00. This request is for reimbursement of charity care provided by SCK Health to community members who are unable to pay for medical services.

Pursuant to Ordinance No. 2019-02-4481, the City has committed to annually appropriate certain available revenues for operational expenses incurred in delivering uncompensated care.

SCK Health has provided supporting documentation of charity care costs for the total amount requested, consistent with prior practices and City policy regarding the use of these funds. Staff recommend approval of this request in alignment with the City's ordinance and long-standing commitment to support local healthcare services through the use of dedicated sales tax revenues.
