### V. Other Items

The board had discussions on what a citizen should do if they have a complaint on their current housing, situation such as who do they go to and what the process is. The board would like for Randy Frazer and Larry Schwartz to be at the meeting in January to discuss this along with other Fair Housing issues.

The board would like to have updates from the city about what ADA issues have been addressed.

The board would also like to address the Rec Center parking on the East side of the building as well as the neglected maintenance of the Rec Center.
