

# THE LEAGUE News

VOLUME 27 | NUMBER 5 | February 8, 2022

Follow us on:

The League invites nominations from city officials to serve on the League Governing Body. The Governing Body consists of 12 directors, a president, vice president and past presidents who meet six times each year to provide direction to the organization.

We seek a diverse membership by region, size of city, race, gender, ethnicity, and elected and appointed officials. Members of the Governing Body are expected to make a commitment to attend all meetings and possibly participate on subcommittees. Any travel expenses are paid by each member's city. If you are interested in submitting a nomination, simply complete our [online form](#).

## OFFICE OF RECOVERY UPCOMING WEBINARS

There are two options for local governments to receive current information and ask questions of the Office of Recovery staff regarding the American Rescue Plan Act funds. Once a month, join the Office of Recovery for their Local Government Lunch and Learns for cities to ask about applying for funds, guidance from Treasury, upcoming deadlines, and other topics. These Q&A sessions are also an opportunity for local governments to share what they are doing and learn from one another. You can join the session by [registering online](#).

Another opportunity for local governments is to join the Office of Recovery for their monthly webinar on Treasury updates. The next Treasury update is set for Wednesday, February 16, at 11 a.m. These webinars focus on updates on American Rescue Plan Act (ARPA) funding, updates from Treasury, and compliance and reporting. Sign up for Treasury updates by [registering online](#).

## LOCAL GOVERNMENT RECOMMENDATIONS ON RACIAL EQUITY & JUSTICE

How could changes at the local level of government impact racial equity and justice for Kansans? Join the League and other local government entities on **Thursday, February 10** at noon for a webinar detailing the Governor's Commission on Racial Equity and Justice's final recommendations for local changes that would influence the economic, educational, and health outcomes of our citizens. [RSVP here.](#)

Following months of discussions with community members and stakeholders, the Governor's Commission on Racial Equity and Justice developed recommendations to address racial equity in Kansas by focusing on social determinants of health, particularly looking at factors that influence the economic, educational, and health outcomes of our citizens.

The Commission's recommendations address items that may take place on the state/agency, legislative, and/or local level. Each webinar in this series will explore recommendations applicable at a specific level of government. Each webinar will be recorded and posted at [www.healthfund.org](http://www.healthfund.org).
