Subject: RE: Sacred Heart service project

Thanks for getting back with me. I have court every Thursday at 1pm so it doesn't sound like I would be able to make the meetings. There is no real deadline for a description of the project. It would just be good to know if they wanted to commit to a project and what month so we can plan for it. We try to do one act of service each month. After that, I just need to know the description far enough in advance to prepare for it. If its the kind of project where you the kids just show up to volunteer, that obviously doesn't take much planning but if we need to sell items to raise money or collect donations, we will need at least a couple months notice.

Thanks again Josh. If court gets cancelled some Thursday, I would be happy to come and meet with them in person or I could send someone in my place if they would like to meet with a representative from the school.

Sorry for the delay in getting back to you. The board didn't have a quorum in September and only just met again yesterday (I blanked on inviting you to yesterday's meeting, sorry about that). They did express some interest in working with Sacred Heart perhaps on a project at Wilson Park in the Spring perhaps even on Earth Day. Things are still pretty fuzzy at this point, when would you need to have a decision on a project by? The next meeting they will have will be Thursday, December 1 at 1:00pm if you have any space on your calendar that day to join the meeting. If it is an option for you and you cannot attend in person we always have a GoToMeeting set up as well.

I'm in Court down in Tonkawa that afternoon otherwise I would be happy to attend. If you don't mind reaching out to them on my behalf I would appreciate it. I'm also happy to contact them directly if you

want to pass on their contact info.

Thanks Josh,

I can reach out to the Beautification and Tree Advisory Board at their next meeting. I'm sure there will be some sort of spring cleanup as well. I could even have you come for the meeting if you want. The next meeting is Thursday, September 22 at 1pm. The meetings are at the Water Treatment Facility.

Subject: Sacred Heart service project

I'm in charge of Acts of Service for Sacred Heart and am working on a calendar of service projects for the kids for the year. I wondered if there is a project they could do to help the City? Earth Day is in April and they could clean up the parks, plant a tree, plant flowers downtown. Maybe they could sponsor a street or raise money for a repair or come up with something to add to park renovations? I would love to find a hands-on project for the kids to really engage in an act of service.

I wasn't sure who to contact on this with Andrew gone so I was hoping you could help me or point me in the right direction.

Thanks!
