IV. New Business

1. Open Discussion: Priority items that need to be worked into the budget: West wall area to be remodeled, ACRC Handicap Parking on Eastside of Building, parking lot re-striping (finish) **get bids or price quotes from tony**, Anita asked about the concerns of the Rec building, Mike had not heard anything. JoAnn asked about the handicap parking lot at Scott Auditorium, handicap parking at the ag building and not having firm surface for ADA (impervious Surface), Unisex ADA bathroom addition to the NWCC.

5. **Other Items:** They hope to work on the unevenness of the parking lot, and it be worked into the budget. Tammy was asking about the mold. Mike thought the area was going to be remodeled and that would take care of the issue. The board discussed and asked to discuss items that need to be addressed to be worked into the budget. Tammy is happy about the things that have gotten done since the board has started really looking through things.
