

City Commission Agenda Item

Meeting Date: March 19, 2024
From: Randy Frazer, City Manager
Item: Aging Projects Inc. (API) Agreement

Purpose: A Resolution authorizing the City of Arkansas City to enter into an agreement with Aging Projects Inc. (API), for provision of nutritional services at the Senior Citizens Center, term effective October 1, 2023 to September 30, 2024. **(Voice Vote)**

Background:

API is a not-for-profit corporation operating under a contract with the South-Central Kansas Area Agency on Aging (SCKAAA) to provide nutrition services, including congregate meals services, home delivered meal services, and nutritional information to senior residents over a ten-county area in South Central Kansas.

API shall reimburse the City monthly for payroll, Medicare, and FICA in accord with a budget mutually agreed upon by API in the SCKAAA contact as listed in Schedule 1. This agreement has been modified back to an annual renewal of the agreement with API effective October 1, 2023 to September 30, 2024. Previously, on September 15, 2015 via Resolution 2015-09-2991, the agreement had been modified only to add provisions for automatic yearly renewals.

Normally API facility agreements are sent by Oct. 1st every year. API has gone through recent turnover in staff causing these facility agreements to not get completed. For this reason, API would like to bring the agreement back to an annual basis.
