

Items for Beautification and Tree Advisory Board Action

Meeting Date: 1/26/23
From: Mike Bellis
Item: Yard of the Month/Season

Title: Yard of the Month/Season discussion

Background:

The board will need to finalize discussion on the Yard of the Month or Yard of the Season. Staff did track down a document discussing the Nelson Sensation Award which appears to have been an overall, perhaps yearly award and the Exceptional Yard Award which could be giving weekly, biweekly, monthly or bimonthly. The Nelson Sensation Award could perhaps be chosen of all the Exceptional Yard Awards of the Year. Staff suggests reviewing the document, suggesting any edits (and we will figure out the best person to contact) and adopting the document. Nominations could then be solicited prior to the next meeting in April. A reminder that we do have a Yard of the Season sign. The title Exceptional Yard Award could easily be changed to match that.
