

# City Commission Agenda Item

**Meeting Date:** April 18<sup>th</sup>, 2023  
**From:** Eric Burr, Police Chief  
**Item:** Security Alarm System Upgrade

**Purpose:** A Resolution approving the proposal submitted by Bankers Security, of Salina, KS, to upgrade the Police Department facility alarm, access control and digital video system, for an amount not to exceed \$12,357.00. **(Voice Vote)**

**Background:**

The police department currently utilizes Bankers Security to provide alarm system and monitoring, video surveillance and recording and access control. All of these functions are necessary to maintain building security and fulfill the needs of the department as it pertains to evidentiary needs such as interviews with victims and suspects, prisoner monitoring, and suspected impaired driver testing area.

This proposed purchase will upgrade our current systems presently in place, including the alarm system, access control system, and digital video recording system. The upgrade will also encompass alarm monitoring needs and annual digital video system licensing, software, installation materials, configuration programming and training.
