

Planning Commission Agenda Item

Meeting Date: 3/8/22
From: Josh White, Principal Planner
Item: Comprehensive Plan discussion

Purpose: Comprehensive Plan discussion

Background:

The draft of the Housing Chapter is attached. I will go over the changes I have made but the focus of this meeting will be on coming up with goals/actions and assigning a time frame for them. Since this will be the first topic, we will also spend a little time talking about how we want to present the goals. Next month, the plan is to discuss Economic Development and handle it the same way.

Action:

Hold discussion.
