

RETIREMENT- An employee who retires under the city retirement plan shall have all unused sick leave credited as additional time worked when calculating the employee's retirement benefits.

Retiree Health Coverage

A retiree who reaches at least 59 1/2 years of age, current 5 years with The Town of Ashland City and at least 25 years or more of TCRS service, the city shall pay 100% of the cost of the employee coverage for the employer provided health insurance. All dependent coverage will be the retiree's responsibility. At age 65, all employer provided health insurance benefits will cease. This retirement policy becomes effective 07/01/2022.
