

### **Incident # 2020-1448**

LONG, JEREMY

On Sunday December 20th, 2020 at approximately 0309 hours, I observed a vehicle traveling South on Highway 12 South in Ashland City, TN and I could see that the vehicle had windows that appeared to be tinted too dark. I stopped the vehicle to conduct a window tint inspection, which the driver's window tested at 14% with a window tint meter. I identified the driver, [REDACTED] and the passenger, [REDACTED]. While I was speaking with the occupants I could also smell the odor of an alcoholic beverage emanating from inside of the vehicle.

I asked if either of them had been drinking, [REDACTED] 19 years of age D.O.B. 03/27/2001, admitted that he had been drinking at the Midnight Lounge, where he was served 2 drinks by a female bar tender and was not asked for his identification at the time of serves.

I issued [REDACTED] a misdemeanor citation for Violation 18-21 Responsibility Act. I also advised [REDACTED] that he had 10 days to turn himself in to the Cheatham County Jail to be booked for his Violation 18-21 Responsibility Act charge and that he would be given a court date at that time.
