Description of project being reviewed: This is an amendment to the approved plans.

We are proposing adding 2 buildings that have 12 units per floor and 3 floors each, for a total of 72 units added.

We will connect to the existing site utilities. The sewerage pump station is sufficient without modifications per WASCON.

Having submitted plans for review by the Ashland City Planning Commission, I understand that I am responsible for all review fees incurred by the Town of Ashland City. I understand that the fee paid at the time of submittal is not applicable for the fees incurred through review. With my signature, I verify that I fully understand that I am responsible for said fees, and that I have received a copy of Ordinance #165.
