Dear Mayor Smith,

The grant contract between the State of Tennessee Department of Environment and Conservation and Town of Ashland City for the Water Infrastructure Investment Program is ready for your review. Please review and sign the contract via Adobe Sign within the next 5-7 business days.

A signature is required at the end of the contract for execution. Please also complete Attachment C at this time, writing "N/A" if the text fields are not applicable. Attachments A & B are for reference and do not require any action from you.

After you sign the contract, it will be routed to TDEC Commissioner, David Salyers, for signature which may take an additional 5-7 business days.

Once the agreement is fully executed, you will be sent a copy.
