Commissioner Butch Eley  
Department of Transportation  
505 Deadrick Street, Suite 700  
Nashville, TN 37243

To Whom It May Concern;

The Town of Ashland City, TN Board of Mayor, and Council members fully support applying for the Tennessee Department of Transportation 2024 Multimodal Access Grant Phase II.

Funds received from the grant will help the city provide pedestrians with safer access to local business entities, such as, restaurants, convenience stores, small businesses, and residential neighborhoods by constructing a sidewalk system along State Route HWY 12.

The Town of Ashland City, TN acknowledges that the City's General Fund will provide 10% (ten percent) matching contribution and future maintenance for the project.

Sincerely,

JT Smith

Mayor
