Information needed for Scholarship:

Applicants for scholarships must submit a scholarship application. The application must be accompanied by a letter from the Mayor, Council, or Manager of the applicant's municipality supporting the applicant's attendance at the program; stating that in the event a scholarship is awarded, administrative or annual leave will be given for attendance at the program; and verifying the proportion or amount of the total costs of the program, including lodging, that the municipality is likely to fund, or alternately, the financial inability of the city to fund any of these costs.
