

PROTECTIVE FOOTWEAR

It is the responsibility of Police, Dept. of Fire & Life Safety, Public Works, Parks, and Building and Codes to perform a workplace hazard assessment to determine the need for specific foot protection. Each affected employee shall wear protective footwear during employee work hours. They shall wear the approved foot protection as part of their work uniform.

Public works and Parks will be furnished 2 pair of boots once a calendar year (one pair of steel toe and one pair of Muck boots). The limit will be \$200.00 each anything over this amount will be the employee's responsibility.
