Description	Total
Removals	\$7,800.00
Remove trees around perimeter of cemetery as marked by property stakes. Trees discussed were within 3 feet of line to allow for fence installation, as neighboring properties permit.	
Access from service trail was approved for skid loader through the woods for debris extraction. Prevent as much collateral damage to property as possible and avoid grave sites whenever possible.	
Removals are priced with discounts, cleanup and hauling included. Stump grinding is quoted separately.	
Stump Grinding	\$1,500.00
Day rate with stump grinder and operator. All stumps required are included in price.	
Subtotal	\$9,300.00
Total	\$9,300.00

Notes:

Cheaper options are available. We have priced it with taking the upmost care in mind and look to limit any grave site damage. Thank you for the opportunity and let us know how we can help in the project.
