

# Road Project Agreement

This agreement entered into between the Township of Atlas (hereinafter referred to as the "Township") and the Lapeer County Board of Road Commissioners (hereinafter referred to as the "Commission").

1. The following designated road is a County Local Road within the Township and is under the jurisdiction and control of the Commission. The specific location and specific work to be performed as follows: Dust Control application for 3 miles of Washburn Rd in Genesee Co. GCRC will be responsible for the grading and LCRC will apply brine at a rate of 2,000 gal per mile.
2. The Commission has agreed to perform the project as outlined in the estimate for the road work referred to as:

Project #

3. The Commission and the Township have agreed to the following cost participation for this project:

Estimated Project Cost

<u>Total Cost</u>	<u>Township Cost</u>
\$1080.00	\$1080.00

The above costs are estimated. The final billing to the Township will be based on final construction costs.

4. Project Costs shall include the following:
  - a. Payments to consultants for work on the project
  - b. Engineering and surveying, including fringe benefits and overhead factors.
  - c. Labor and equipment charges for work done by Road Commission forces, including fringe benefits and overhead.

If the final project cost is anticipated to be 10% or more over the estimate, the Commission will notify the Township when the Commission becomes aware of the increased costs.

5. The Commission, upon completion of said project, will furnish the Township a statement of the final cost of the project. The Township will forward to the Commission any amount which the total cost exceeds the initial payment.
6. The Township agrees to pay when invoiced. All invoices not paid within 30 days of invoice date, will be assessed a finance charge at the rate of 1% per month.

The undersigned District Foreman has reviewed and approved this project.
