Assistant Chief

January 9, 2024

We responded to 125 calls in 2023 which was 66 less than 2022. A large part of that was due to our ongoing agreement with Medstar. They have assisted us and reduced our medical/rescue calls from 92 last year to only 36 this year. 29% of our calls were medical/rescue, 22% good intent calls, 9% fires, 15% hazardous and 15% false alarms and 10% service calls. Good intent calls include cancelled in route, smoke scares, and authorized open burning. Service calls include assisting police, unauthorized burning and providing mutual aid by covering another fire hall while they are on a fire. Our payroll (not including salaried officers) was \$45,660.71 and that was \$3,850.34 less than last year and \$8379.17 below our 10-year average.

This year Chief Steve Bullen and Assistant Chief Ed Klimek drove out to New York to put the finishing touches on our new rescue vehicle. When the truck met our specifications, they drove it home to Michigan.

We ordered all new SCBA packs and masks from Drager to replace our out-of-date packs. We were able to get the masks paid for with a grant of \$10,000 from the Michigan Fire Equipment Grant.

In April firefighters Chris McGahey and Clayton Smith graduated from the Genesee County Fire Academy.

In September we had two firefighters, Michael Goodenough and Trevor McGrath begin the fire academy.

Some Chiefs awards were given out at our annual Christmas banquet.

- CPR SAVE: Ed Klimek, Ben Powell, Dan Tencza, Will Mcardle and Blake Bond were given an award for performing and/or assisting in CPR on a patient in cardiac arrest resulting in saving a life.
- ABOVE AND BEYOND: Matt Bowes, Trevor McGrath and Chris McGahey were awarded for going above and beyond what is expected to help enhance the Atlas Township Fire Department and the community of Atlas Township.
- SERVICE ABOVE SELF: John Feldmann and Matt Bowes were awarded for top honors for time served combining incident response, trainings, work sessions and volunteer hours.
- WHILE YOU WERE SLEEPING: John Feldmann was the top responder for incidents between the hours of 11:00pm and 8:00am. He responded to 33 out of 40 calls during those hours.
- WORK SESSION ATTENDANCE: Gordon McKechnie had 100% attendance of all work sessions from December 2022 to November 2023.
- TRAINING ATTENDANCE: Matt Bowes, Mark Petersen and Dan Tencza had 100% of all trainings from December 2022 to November 2023.

Also awarded at the banquet were Ben Rhode and Gordon McKechnie celebrating five years on the fire department.

In November we finally got a new well installed and working at Linda Kay and M-15.
