ARC Michigan's Full Service Maintenance Agreement (FSMA) includes all parts and labor except where noted. Consumables and supplies are excluded. This agreement includes normal wear and usage only. Accidental damage, customer misuse or relocation of equipment requiring service will be billed at prevailing time and materials rates. FSMA for equipment deemed "out-of-production" excludes scanner and controller parts.

In the event that the equipment manufacturer (OEM) no longer supports this equipment due to end-of-life, ARC cannot guarantee availability of all required parts. ARC presently has a wide range of service parts available to offer the FSM. In the course of this agreement, should parts become unavailable from the manufacturer, ARC will exercise all due diligence to secure replacement for failed part(s). In the event part(s) cannot be acquired, ARC reserves the right to terminate the FSM at its discretion. ARC's obligation under such circumstances is limited to pro-rated credit for any unused time period covered by the FSM. ARC disclaims any and all liability for repair to the equipment covered under this agreement if service part(s) become unavailable at some point in the future.

Standard hours are Monday through Friday from 8:30 am to 5:00 pm. This not an invoice. Please return this signed agreement with purchase order or other billing information. (Unsigned renewals are subject to rate changes)
