Dr. Malik:

The Department is in response to your letter requesting additional TIA funds due to inflation for the above referenced project. After review of the projects initial TIA budget and projected tax collections for TIA, the TIA Office has agreed to add additional funds to the TIA budget. This additional TIA funding will result in the following TIA budget revisions:

| PI # | Project | Current TIA Budget | Additional TIA Funds | Revised TIA Budget |
|---------|--|--------------------|----------------------|--------------------|
| 0011390 | Highland Avenue over CSX Railroad | \$2,278,521 | \$800,000 | \$3,078,521 |

A Supplemental Agreement to revise the TIA funding will be submitted electronically for execution. Items reimbursed by TIA will be limited to items needed to complete the original project scope.
