

## Commission Meeting

May 7, 2024

**5<sup>th</sup> Street Improvements Project**  
**Design Services for Roadway Improvements**  
**TIA Project Number: RC07-001213 / PI#0011415**  
**CEI Services**  
**RFP Item: 18-283**  
**File Reference: 24-014(T)**

---

<b>Department:</b>	Engineering & Environmental Services
<b>Presenter:</b>	Dr. Hameed Malik, Director
<b>Caption:</b>	Motion to <b>approve</b> Supplement funding (SA1) to Cranston Engineering (Cranston) in the amount of \$24,835.00 for the 5 <sup>th</sup> Street Improvements Construction Phase Services (CEI). AE/RFP 18-283( <b>Approved by Engineering Services Committee April 30, 2024</b> )
<b>Background:</b>	The 5 <sup>th</sup> Street Improvements is a project from the “Approved Investment List” of TIA that was approved by voters of the CSRA in the July 31, 2012 referendum. The 5 <sup>th</sup> Street is a Band 3 project. The project improvements consist of improving roadway safety by resurfacing, reconstructing the existing curb and gutter, replacing sidewalks and improving the storm water system. The project will improve pedestrian safety at intersections with new high visibility crosswalks and organize the existing parallel parking. The project is in letting and construction and will commence soon. Construction Phase requires design related coordination with utilities, resolution of constructability conflicts, review of contractor construction documents submittals, and request for field information (CEI) that warrants design engineer services.
<b>Analysis:</b>	On April 2, 2019, Augusta Commission approved award of design phases of the project to Cranston. The project is now in construction phase. This supplemental agreement covers services during the construction phase for contractor request for field information, utility conflicts assessment & resolution, field engineering, and attending construction progress meetings.
<b>Financial Impact:</b>	Funds in the amount of \$24,835.00 are available in Project TIA funds.
<b>Alternatives:</b>	Do not approve and find alternative to perform CEI services.
<b>Recommendation:</b>	Approve Supplement funding (SA1) to Cranston Engineering (Cranston) in the amount of \$24,835.00 for the 5 <sup>th</sup> Street Improvements Construction Phase Services (CEI). AE/RFP 18-283.

**Funds are available in (\$24,835) 371-041110-52.12115 – T15041213-52.12115 - Project TIA Funds
